How many 'igh' words can you find? List them on the back.

'igh' Words (no word bank)

What is the focus of the activity in the document? The focus is on finding words that end with the 'igh' sound, where the 'i' and 'g' are in the middle of the word, and 'h' is at the end. The activity involves searching for these words in a grid and listing them on the back of the worksheet.

What is included in the document? The document includes a grid with letters and a prompt to find 'igh' words. The grid is a 12x12 grid with letters that can be rearranged to form words ending with 'igh'. The prompt suggests listing these words on the back of the worksheet, indicating that the activity is designed to enhance word recognition and spelling skills.

What is the purpose of this type of activity? The purpose of this type of activity is to help students practice recognizing and spelling words ending with specific letter combinations, improving their phonetic awareness and spelling skills. By finding words in a grid, students engage in a self-directed learning activity that can be both fun and educational.
